

Bryn Solution Seeker

Chris has made cakes of different flavours for his party. He mixes the cakes up and offers one to Ken.

- What is the probability that Ken will pick a lemon flavoured cake?
- What is the probability that Ken will not pick a fish sauce flavoured cake?

Identify

- What is the key information?
- What do I need to find out?
- What method/maths do I use?

Communicate

- How will I structure my answer?
- How will I display my answer

Review

- Have I answered the question?
- Have I checked my work?
