

Christmas Card Collection

As part of our efforts to make the school a greener place, this year we are hoping to collect all of your Christmas cards once you are finished with them.

We are doing this to conserve resources and save our planet!

The cards that are collected will be recycled in two ways: Some will be made into gift tags to be reused and the others will be pulped to make new paper or card.

All pupils that donate cards for our collections will be awarded class charts points. The person who brings in the most cards will receive extra points.

We will be coming around the form classes in the first week of the new term to collect your cards. Alternatively, you can drop them off to Mr. Allen in S10.
