

Wearing of Face Masks

Following further guidance from RCT, the following has been decided in relation to face masks for the return to school in September:

- Face masks will be required on school transport from Thursday 3rd September.
- Face masks will be required in communal areas such as corridors from Thursday 3rd September.
- Face masks will not be required in classrooms at this stage. However, students may wear them if they wish. The wearing of face masks in classrooms will be kept under review.
- Students may be excused from wearing face masks if there is a medical reason to do so.
- The school is currently sourcing the required three-layer face masks for all students. Parents may purchase their own masks for students, but they must be appropriate for school.

We apologise for the lack of notice of this very significant change. Please be assured that the safety of our students is our top priority.
